

# DIP & ROTARY SWITCH SOLUTION

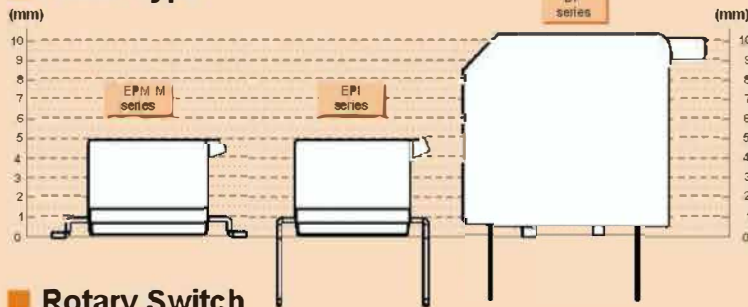

## Vertical Type

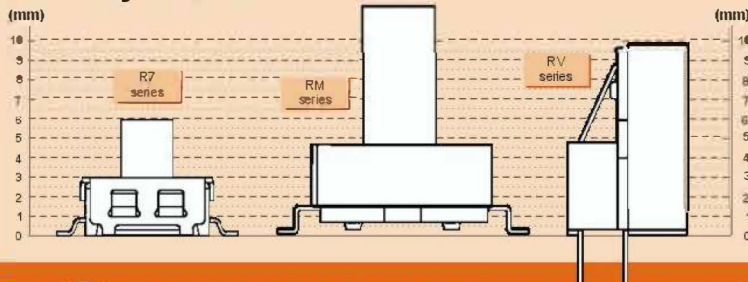

## Horizontal Type

## Piano Type

## Rotary Switch

| Series                 | Appearance | Features                   | No. of Poles | Seal Tape | RoHS Compliant | Lead-Free Solderable |
|------------------------|------------|----------------------------|--------------|-----------|----------------|----------------------|
| SDS(R)                 |            | Slide                      | 1-10, 12     | ◆         | ◆              | ◆                    |
| SDP(L)                 |            | Piano                      | 2-10, 12     | ◆         | ◆              | ◆                    |
| SDA                    |            | Right Angle                | 2-10, 12     | ◆         | ◆              | ◆                    |
| SND(R)                 |            | Through Hole               | 1-10, 12     | ◆         | ◆              | ◆                    |
| SDM(R), SDJ(R), SDL(R) |            | SMT                        | 1-10, 12     | ◆         | ◆              | ◆                    |
| SEM(R), SEI(R), SES(R) |            | End Stackable              | 01-10, 12    | ◆         | ◆              | ◆                    |
| SEPI, SEPM             |            | Piano type End Stackable   | 2,4,6,8,10   | ◆         | ◆              | ◆                    |
| STDS                   |            | Tri-State                  | 4,8,9,10     | ◆         | ◆              | ◆                    |
| STII(R), STIM(R)       |            | Tri-State Low Profile type | 4,8,9,10     | ◆         | ◆              | ◆                    |
| SIP                    |            | Single in Line             | 2,4,6,8,10   | ◆         | ◆              | ◆                    |
| SFHDS                  |            | Half Pitch (H: 1.5mm)      | 2,4,6,8,10   | ◆         | ◆              | ◆                    |
| SNHDS                  |            | Half Pitch (H: 1.6mm)      | 2,4,6,8,10   | ◆         | ◆              | ◆                    |
| SHDS                   |            | Half Pitch (H: 2.3mm)      | 8            | ◆         | ◆              | ◆                    |
| SRH, SRV, SRM          |            | Rotary                     | 10, 16       | ◆         | ◆              | ◆                    |
| SR7                    |            | Rotary 7x7                 | 10, 16       | ◆         | ◆              | ◆                    |
