

Polyshine Electronics Co., Ltd. is one of the largest potentiometer, encoder and switch manufacturers in China. Customers include Sony, Philips, Panasonic, Dell, Logitech, Nvidia, Behringer, etc. Polyshine manufactures in China in a 65,000 square meter of factory with more than 56 producing lines and 1500 employees. Polyshine holds ISO 9001-2008, ISO 14001-2004, TS16949, UL, and Sony Green Partner level certifications.

After decades of efforts, the Polyshine products have been sent to over 100 countries, including rotary potentiometers, trimmer potentiometers, and sliding potentiometers with rotation cycles rated up to, and in some cases exceeding, 1 million cycles!

Your customers demand longer life products, You need a Potentiometer to back you up!
