

Electrical Properties

Characteristics	Specifications
Frequency Range	824-960 / 1710-2170MHz
VSWR	≤ 3 / ≤ 2.5
Input Impedance	50 Ω
Gain	2dBi
Polarization	Vertical
Lightning Protection	DC ground
Maximum Input Power	50W
Connector Type	FME-F

Mechanical Properties

Characteristics	Specifications
Height	195mm
Weight	36g
Radome Material	Plastic
Antenna Color	Black Or White
Working Temperature	-40°C~+55°C
Working Humidity	20~95%
